Nevertheless there is reason to remain alert round-the-clock because the devil also is actively at work – prowling about like a roaring lion and looking for someone to devour. We need to guard against probable nepotism in Church polity, giving excessive prominence to non-members of the Church and stubborn attitude to have one's own way – because such approaches could contribute to the turning away of loyal congregation members. Hence the imperative need on our part to be God fearing, accommodative and to remain watchful to foil the sinister design of the devil in parting the Church asunder.

**H. Conclusion:** First, it is the bounden duty of all to ascribe greatness to God Almighty for constantly leading our cherished Church thus far. Secondly we ought to be extremely delighted to our Head Office for its unstinted all-weather support. Thirdly, the Session deserves appreciation, inter-alia, on account of two special reasons – for insistently asking Elder Thang to divulge

Mi dehsak na hihleh nga pe lou in a mat didan hihl zaw in.

the likely date for anniversary of the Delhi Presbyterian Church [that he has given as third Sunday of May] and for facilitating commemoration of its anniversary on this third Sunday of May. Last but not the least – the leadership of DPC is immensely happy with the entire Church membership for regularly attending Sunday Worship Service in large numbers, for the generous and regular monetary contribution to the Church that enables payment of statutory dues besides other expenses and for the overall cooperation having been received hitherto in diverse activities of the Church. Let us keep in mind that all these factors contribute to the unity, survival and growth of the Church of Lord Jesus. Let this auspicious occasion be a fresh source of motivation and renewal of Spiritual strength for each individual.

May God be with everyone of us and keep on blessing and guiding us as we move ahead in the coming days. Amen.

**D. Progression:** Had the report gleaned from a reliable source been accurate – in 2009 members of the MELC had their separate worship and detached from ZCF Delhi. By then those members of PCI[R] from Manipur who had been with ZCF Delhi as well as those with other denominations started joining the Cottage Fellowship of PCI-[R] Delhi. Moreover youth members of the Church – looking for job and also for further studies – started converging in Delhi. Thus there was increase in membership but full-time worker for the Church was conspicuous by its absence. There was craving for full-time worker and members prayed for it.

**E. First Holy Communion & naming of the Church:** On 17 May 2009 Rev. Khen P Tombing – on his way to USA – ministered the first Holy Communion to the Church at Munirka [New Delhi] NTBC Chapel. It was on this occasion that Rev Khen gave name of the Church "Delhi Presbyterian Church" and since then the Church has been called and

known by this name. Since this occasion by and large coincided with the commencement of the initiative for Cottage Fellowship of the Church in 2008, the third Sunday of May has been commemorated and recorded in the history of the Church as the 'Anniversary of the Delhi Presbyterian Church'.

**F. Noteworthy Points:** Following points are noteworthy and cannot be ignored in the history of the Church.

**1) Worship in Chapel till date:** Cottage Fellowship has blossomed into full-fledged regular Worship Service since 26 July 2009 at Munirka NTBC Chapel. Nevertheless there was no full-time worker of the Church and often Elder Thang was not available on call even for special occasions – such as birthday, success celebration, etc – due to enormous job demand in his workplace. However God Almighty is at work and the members remain faithful. Glory be to Him alone! Once again members can't help except praying God for giving a full-time worker.

**2) First Baptized Ones:** On 03 January 2010 three children got baptism through His minister Rev Khen P Tombing – namely Ms Kathy Katayun Negahban & Master Aryan Negahban [children of Mr Reza

**3) First Pastor:** Responding to the prayer of the Church, God has given a full-time Pastor in the person of Pastor T Liankholal [hereinafter referred to as Pastor Lal] from March 2010 onwards. God Almighty blesses the efforts that he has been putting in and guidance of the Holy Spirit is incessant. As a result – members increase, Cottage Fellowship continues and there has been perceptible warmth in Sunday Worship services. He baptized Ms Jamngaihem [d/o Mr Lalboi and Mrs Chinghaukim] on 04 March 2012, Ms Vunglian kim d/o Late Kamzathang and Mr Aryan Lawmlalmuan s/o Ms Vunglian kim on 03 March 2013 followed by Ms Lee Mawi [daughter of Mr Lalboi and Mrs Chinghaukim] on 10 November 2013. Moreover it is pertinent to note here that God has been showering plentiful blessings upon our first Pastor in the realm of domestic and ecclesiastical fronts. Thanks be to Him!

**4) Ordained / To be Ordained Ones:** After Pastor Lal took over shepherding of the Church, the Session in 2010 had submitted request to the Church Head Office asking for one Elder and one Deacon that they agreed. Accordingly Mr Chin Thang

and Mr T Khaimuan-thang were elected and ordained in 2011 as Elder and Deacon respectively. In 2013 a Deacon has been added to the Church when ordained Deacon N Pausuanhau [alias Haupu] of Mata Mualtam moved in to Delhi in search of job and has got one. Since the aforementioned Elder and Deacons have limitations due to inescapable duties of their own, the Session had again asked for one more Elder and one more Deacon in 2013 to assist the existing ones in furthering the ministry of the Church. Consequently Mr T Khamkhan-chin [alias T Chinpu] and Mr Mangkhanlal Gualnam [alias M K Gualnam] have been elected to the position of Elder and Deacon respectively. Their ordination is yet to take place.

**5) Outing Programs:** The Church had observed two outing Programs – first at Rural Community Development Centre at Hodal [Haryana] in November 2012 and second at Deer Park in Safdarjung Enclave in March 2014. It was light moment of joy for all participants. It is the ardent desire of Church members to have outing program at least once in a year.

**G. Points for Caution:** The Holy Spirit is at work. That is good for all and everyone is overjoyed for it.

## Brief Synopsis of the Inception of Delhi Presbyterian Church

**A. Introduction:** Top leaders of the Presbyterian Church in India [Reformed] – known in the abbreviated form as PCI[R] and hereinafter referred to as ‘the Church’ – had for considerable period of time felt the need to provide pastoral care to its members living in Delhi. The time to fulfil this objective came to fruition when Mr Chin Thang [referred herein after as Elder Thang] has been assigned this task on his completion of M. Div. from Presbyterian Theological Seminary Dehra Dun in April 2008. Thus the ground work to provide pastoral care to scattered members of PCI[R] started in May 2008.

**B. Initiative:** At the outset it was determined that the endeavor for pastoral care of the Church be undertaken in collaboration with and under the supervision of Faith Bible Presbyterian Church led by Rev Hiralal Solanki. However such concept was subsequently put aside due to certain impracticability at the ground level. As such from the third week of May 2008 onwards, Elder Thang – under the active guidance and whole-hearted cooperation from the Church Head Office – had initiated effort to get in touch with the Church members living in Delhi. Response was encouraging and soon Cottage Fellowship was started at the residence of Mr Lulun Tombing at C-27 Paryavaran Complex, Neeb Sarai, New Delhi.

On the other hand, Elder Thang had got job offer with a prestigious Christian

NGO and top leadership of the Church had advised him to accept the offer w. e. f. August 2008 that he complied. Since then there was no full time worker for the Church but God Almighty has been leading His Church forward and makes it grow.

**C. Members:** Members and participants during its inception in May 2008 may be listed as follows :

- 1) Pa Andrew Mang & family [Participants & now in NTBC]
- 2) Ms Biakhoih & Bro Mumung [Participants & now in EBC]
- 3) Nu Hatneu [since left for her celestial abode]
- 4) Nu Haunu & family
- 5) Pa Joy & family
- 6) Pa Lulun Tombing & family [plus TvLalbawi]
- 7) NuMawinou [Chinglianmawi] & family
